

INTRODUCTION to MARC

ORGANIZATION QUALIFICATIONS AND COMPETENCIES

MARC is a 60 year old nonprofit organization with five locations in and around Dane County. MARC offers a wide array of employment services, assisting individuals with disabilities to live and work in their local communities, and day services, production opportunities for businesses and the support of micro-enterprise businesses operated by MARC clients.

MARC has successfully worked with hundreds of employers to meet their business needs and increase workplace diversity while maintaining performance standards.

MARC maintains all appropriate and relevant insurance, training, and best practice programs to achieve the highest possible standard for a qualified and competent service organization:

- All mandatory certifications, licenses and credentials
- Professional liability insurance for our staff and buildings
- Workman's compensation insurance
- Bonding available upon request
- Ongoing staff training around First Aid, CPR and AED responses
- Ongoing staff training in all aspects of professional confidentiality, privacy, and security including HIPPA

Call today for a brochure, to schedule a tour at one of our locations near you, or to request our publications:
