

Micro-Enterprises

"It is a great idea to own my own business because it makes a difference in my life. I like making money and creating my own jewelry. I like all the different places I get to go to sell jewelry".

-Lakesha, owner of Sassy D's

To come true, dreams need opportunity and support. This is what MARC provides to adults with developmental and intellectual disabilities.

Micro-enterprise services enable individuals who have an entrepreneurial spirit to own and operate their own businesses.

Serving throughout the greater Madison area, including Stoughton and Mt. Horeb.
