

MARC 2020 - HOLIDAY AND INSERVICE SCHEDULE

Supported employees, please talk to your employer and MARC staff to confirm your individual work schedule. Many supported employees choose to work in response to employer needs during in-service or holidays. It is MARC policy to support individual choice of work schedule.

MARC is an Equal Opportunity Employer and makes every effort to recognize a diversity of secular and religious holiday staff schedules consistent with program needs.

MARC'S policy on entire day closure due to weather is as follows:

- MARC East, West, South, RES, RAC will close if the Madison School District closes.
- MARC Mount Horeb will close if Mount Horeb School District closes.
- MARC Stoughton will close if the Stoughton School District closes.
- Sauk Prairie Project SEARCH will close if the Sauk Prairie School District closes.
- Kalahari Project SEARCH will close if the Baraboo School District closes.

***MARC Inc. will determine:** whether to remain open or close early in extreme weather conditions when schools elect to offer later starts, early dismissals, and on days when the school districts are closed. MARC will notify media and transportation providers of the decision to close, and work with care providers in instances of early closure.

MARC Transportation

For individuals transported by MARC, if the school district where they live closes, MARC will cancel transportation that day. An example of this would be: Sun Prairie schools close, but Madison schools remain open, MARC would not be providing transportation to Sun Prairie on that day. In this circumstance, the individual can be brought to MARC and be picked up from MARC, at their regularly scheduled time.
